

FOR CERTAIN IMPROVEMENT LOCATION PERMITS

WHEREAS, the Board of Commissioners of Fulton County has adopted Ordinance No. 51683-1, The Flood Plain Zoning Ordinance of Fulton County, Indiana, and

WHEREAS, said Ordinance, among other things, creates a Fulton County Flood Plain Commission, provides for the employment of a County Building Commissioner, and requires Building and Development permits for all development and substantial modification of existing structures and developments;

NOW, THEREFORE, Be it Enacted and Ordained:

SECTION I. The Fulton County Flood Plain Commission, acting through its authorized agents, is authorized to and shall charge to and collect from each applicant for each Building or Development Permit a service fee determined as follows:

A. For Site inspection and research, foundation inspection, electrical entrance inspection, electrical inspection, plumbing inspecting, and occupancy inspection, all with a project construction cost of \$40,000.00, or less. \$ 76.50

Plus mileage at the statutory rate.

B. For each \$1,000.00 of construction cost over .35
\$40,000.00, an additional \$

C. Such fee shall be in addition to the cost of any required survey or survey certificate which shall be paid for by the applicant directly to the surveyor involved.

SECTION II. All fees paid pursuant to Section IA and IB hereof shall go to and become the property of the County Building Commissioner in addition to any other compensation to which he is entitled as such Commissioner.

effect upon its passage and shall supercede any and all fee schedules provided for in Ordinance No. 51683-1.

Adopted this 7 day of August, 1984.
