

FULTON COUNTY COUNCIL MEETING
Tuesday, July 17 2018

Meeting called to order following Pledge to the Flag at 6:30 p.m. with Phyl Olinger, Randy Sutton, Barry Hazel, Ron Dittman, Lorie Hurst, Jim Showley, Jim Widman and Auditor Christina Sriver present.

HEALTH DEPARTMENT – Phyl read the proposed ordinance aloud:

ORDINANCE NO. 07172018
AN ORDINANCE AMENDING THE FEE SCHEDULE FOR ORDINANCE NO 120108

WHEREAS, Ordinance No. 120108, An Ordinance Regulating Private Septic Systems Located in Fulton County, Indian, was previously enacted by Fulton County; and

WHEREAS, the Fulton County Board of Health has recommended that said Fee Schedule should be amended; and

WHEREAS, the Fulton County Council has reviewed said Fee Schedule and has determined that said Fee Schedule should be amended.

NOW, THEREFORE, BE IT ORDAINED that the Fee Schedule for Ordinance Nol. 120108, An Ordinance Regulating Private Septic Systems Located in Fulton County, Indian shall be amended as follows:

- I. A septic permit fee of one hundred fifty dollars (\$150.00) shall be submitted for all above ground systems, sand lined systems, cluster systems, and drip systems (new, repair, and/or replacement)
- II. A septic permit fee of one hundred dollars (\$10.00) shall be submitted for all other septic systems including, but not limited to gravity flow systems and flood dose systems (new, repair, and/or replacement).
- III. A fee of one hundred dollars (\$100.00) shall be submitted prior to the issuance or renewal of a septic contractor’s Installer Certification.
 - A. A reapplication fee of fifty dollars (\$50.00) shall be submitted prior to the reexamination of the Installer Certification Test.
- IV. Any Installer who is not certified within Fulton County that constructs, installs, and replaces, alters or repairs any onsite sewage disposal system will be fined not more than two hundred dollars (\$200.00) in correlation to the first offense. A fine of not more than five hundred dollars (\$500.00) will be issued for each subsequent offense.
- V. Any person or installer who continues to violate any section of this Ordinance beyond the time limit provided for corrective action to have been taken, who performs any act prohibited herein, who fails to perform any duty lawfully enjoined, or who fails, neglects or refuses to obey any lawful order given by the Health Officer will be punished by a fine of one hundred dollars (\$100.00). Each day a violation of this Ordinance continues constitutes a separate offense for which a separate fine may be levied.

This Amendment to Ordinance #120108 shall be in full force and effect on January 1, 2019.

Shannon Shepherd explained that the amount of the permit fee is being increased due to the multiple inspections being performed. Randy motioned to table the ordinance until the next meeting, Barry seconded; passed 7-0. Phyl read a second proposed ordinance aloud:

ORDINANCE NO. 07172018-A
AN ORDINANCE AMENDING THE FEE SCHEDULE FOR ORDINANCE NO. 102417-A-1

WHEREAS, Fulton County, Indiana, previously enacted Ordinance No. 102417-A-1, adopting a Fee Schedule for various Health department fees; and

WHEREAS, the Fulton County Board of Health has recommended that said Fee Schedule should be amended; and

WHEREAS, the Fulton county Council has reviewed the recommended Fee Schedule proposed by the Fulton County Health Board and has determined that said Fee Schedule should be adopted as recommended by the Fulton County Health Board.

NOW, THEREFORE, BE IT ORDAINED that Ordinance No. 102417-A-1 shall be amended and the Fee Schedule, as attached, incorporated and marked Exhibit A, shall be enacted.

This Amendment to Ordinance No. 102417-A-1 shall be in full force and effect on January 1, 2019.

EXHIBIT A FEE SCHEDULE

Genealogy (1-5 searches)	\$10.00
Genealogy (over 5 searches)	\$20.00
Affidavits Certificates (Includes Birth Cert.)	\$20.00
Home Births (Includes Birth Certificate)	\$35.00
Notary Public (not concerning office business)	\$3.00

Adding one-day permit for food trucks for \$25. Randy motioned to table until the next meeting, Ron seconded; passed 7-0.

HIGHWAY – John Geier updated on the department activities including chip sealing, replacing culverts and mowing. Mid-West Spray Team has completed spraying large and small structures. There is still striping to do in Leiters Ford. Wabash Road was completed by Phend and Brown. The subsequent testing revealed that the asphalt content was low in a section and have since repaved. Coordination on Bridge #45 will begin mid-August and will be done near the end of November. Bridge #172 had damage due to flooding in the spring. FEMA will not cover the cost of any damages due to the fact it is at the end of its life. He will submit the bridge for a Community Crossings grant. He met with FEMA today to discuss the other damages on pipes and roads and he anticipates most of the cost being reimbursed. An employee has quit and John will work to replace him. He has an early coordination meeting on July 25th for Community Crossings grants being offered this year.

SHERIFF – Chris Sailors asked for questions on the June reports; none received. A Jail Site Committee is being formed. Spillman system training was started two weeks ago. He is gathering quotes for the 800 radios. A deputy left employment at the end of June; there were 9 applicants tested and he will go forward with interviews. He hopes to have someone in place by the end of August. The Principal and Superintendent of Caston Schools are in attendance to discuss the Resource Officer. Cindy Douglas explained that this is not the first grant that has been received. Previously there were grants given for security that were used to purchase cameras and other equipment. The school board desires to employ a law enforcement officer acting as the resource officer on school grounds. The Sheriff and the school will work together to create the job description. A Memorandum of Understanding would be in affect between the school and the county. The county/school split would be 30%/70% (respectfully) resulting in approximately \$21,000/year. The school would like to have the resource officer serving by sometime in the fall. The resource officer would be an employee of the county and the county would be reimbursed through the grant by the school. The rest of this year could be covered by the current budget for the Sheriff’s department. There may be an occasional overtime situation for sporting events or such but flex time will be used as possible. The current school board was willing to move forward with having a resource officer whether the grant was approved or not; the current board plans to fund the officer even if the grant is not received in future years. A clause in the MOU could include a non-compete clause to keep from the county becoming a training ground. Next week Sheriff Sailors will be attending an opioid symposium in Indianapolis. Randy motioned to proceed with hiring an officer to resource to the school, Ron seconded; passed 7-0.

EMA – Larry is waiting to hear about his salary reimbursement grant. He discussed applying for a grant for medical equipment for a mass casualty incident for first responders. He also applied for a grant to fund the LEPC conference for an 80/20 match.

CORONER – Jeri Good gave a report on the first half of the year: eighty-two deaths, of those twenty-two were coroner calls. Twelve of the twenty-two were in the past six weeks, nine had blood draws for screenings, and four autopsies were performed. As of July 1, blood analysis is required if using NMS labs in Pennsylvania. A new test is being performed to test for 300 different drugs with a 24-hour turn-around as opposed to the current 4-6 week wait. Sixteen of the twenty-two calls were natural, three accidental, two were suicides. She is working with the Sheriff’s Department to offer educational opportunities for administering NARCAN.

IT/MAINTENANCE – Josh discussed the poor condition of the concrete at the courthouse. An earlier quote from SRKM for masonry and concrete work at the courthouse was received on the high end. The concrete can be replaced as-is with steps at the East entrance or a ramp can be poured to replace the steps. The west and south entrance steps are beginning to break away from the foundation. The north steps are currently blocked off due to dirt under the steps being washed out they are considered unsafe. A ramp replacing the east steps won’t allow for a pass-through as there is currently, however, the slope would allow for delivery trucks to drop-off closer to the door. Current projects include power washing the courthouse that has been delayed until October and will cost approximately \$40,000. Josh suggests pushing that to next year to free up some money in the budget. Randy motioned to allow SRKM handle full liability and responsibility for the work and to gather quotes, Jim Showley seconded; passed 7-0.

MINUTES – Jim Showley motioned to approve the minutes of June 19, Jim Widman seconded; passed 7-0. Barry motioned to approve the minutes of June 21, Randy seconded; passed 7-0. Jim Showley motioned to approve the minutes of June 28, Ron seconded; passed 7-0.

ADDITIONAL APPROPRIATIONS –

Department	Fund	For	Amount
Project Income budget:			
		11202-\$400	
Probation	Community Corrections	12016-\$5,000	\$13,200.00

		21000-\$1,000	
		21003-\$200	
		22001-\$1,500	
		31204-\$300	
		34001-\$1,200	
		39103-\$3,000	
		4100-\$600	
To appropriate 2018/2019 project income budget. Barry motioned to approve, seconded by Lorie; passed 7-0.			
Fulton County Airport Authority	Operating	Capital Outlays	\$1,200,000
Barry motioned to approve, seconded by Jim Widman; passed 7-0.			

OLD BUSINESS – none

NEW BUSINESS – Lorie stated that the figures received from TIF revenue into the redevelopment fund was less than expected and money from the EDIT fund may need to be budgeted to cover the EDIT bond for next year. The budget presentations will be held August 16th and 17th beginning at 9:00 a.m. The wellness services were discussed and council agrees to move forward.

ADJOURN – Jim Showley motioned to adjourn at 8:14 p.m., seconded by Jim Widman; passed 7-0.
