## **ANNUAL SUPPORT FEE**

The Annual Support Fee (ASFE), commonly referred to as a docket fee, is a once-a-year administrative fee for processing child support payments. The Annual Support Fee is \$55.00 per child support case.

Checks or money orders should be made payable to the Indiana State Central Collection Unit (INSCCU) and mailed to:

INSCCU – ASFE  
P. O. Box 6271  
Indianapolis, IN 46206-6271.

***Note: This address is different than the address for regular child support payments.***

To ensure proper credit, ASFE payments must be clearly marked as ASFE. Regular child support payments cannot be included in the amount submitted for the ASFE. If the Non-Custodial Parent (NCP) does not pay the entire ASFE amount, an income withholding order may be sent to the NCP's employer to have the fee withheld from earnings.
