

ORDINANCE NO. 100388
 Of The Board of Commissioners of Fulton County
 An Ordinance of Fulton County Establishing
 A Reduced Speed Zone on County Road Old U. S. 31

WHEREAS, the traffic safety of the motorists of Fulton County is affected by the speeds permitted on the county roads; and

WHEREAS, the county highway department has performed an investigation of the conditions at the intersection of County Road Old U.S. 31 and County Road 450 North; and

WHEREAS, due to the location of this intersection and the factory at that location, as well as the existence of the hill to the north of this intersection, the Board of Commissioners finds that the present speed limit of 55 miles per hour is greater than reasonable and safe under the conditions, and that a special hazard exists requiring a lower speed for this area.

IT IS FURTHER ORDAINED that the Fulton County Highway Department post appropriate speed limit signs to advise the motorists of the change in the speed limit at this location.

Adopted this 3rd day of ~~October~~, 1988.
